I write to state that there are 16 Motor Vehicles including the President's car in the Municipality. The tyres and tubes of most of the vehicles including ^{the} car had worn out and were not - useful any longer. Some of the tyres were got retreaded and were made use of, for some of the lorries. ~~It~~ It was found that these rebuilt tyres were not durable as they did not last long.

In the circumstances, the Municipal Council approved of the proposal to purchase the required number of tyres and tubes (41 tyres and 41 tubes) in their resolutions No. 1183/8-3-52 at a total cost of Rs 13545/9/0 meeting the expenditure thereon out of the provisions of Rs. 30,000/- made under D.II. Maintenance of lorries for the year 1951-52.

The purchase of Tyres etc., could not however be made accordingly within the close of the year 1951-52 since the sanction of the Council was obtained at the fagend of the year.

In pursuance of Municipal council Resolution, the purchases of tyres and tubes were made from ~~x~~ four Firms: Messrs Fire Stone, Dunlop, Good year and India Super at an aggregate cost of Rs. 12973-14-0 meeting the expenditure thereon, out of the provision of Rs. 36,000 made, under D.II Maintenance of lorries for the year
